

Nour's Journey as a Multilingual

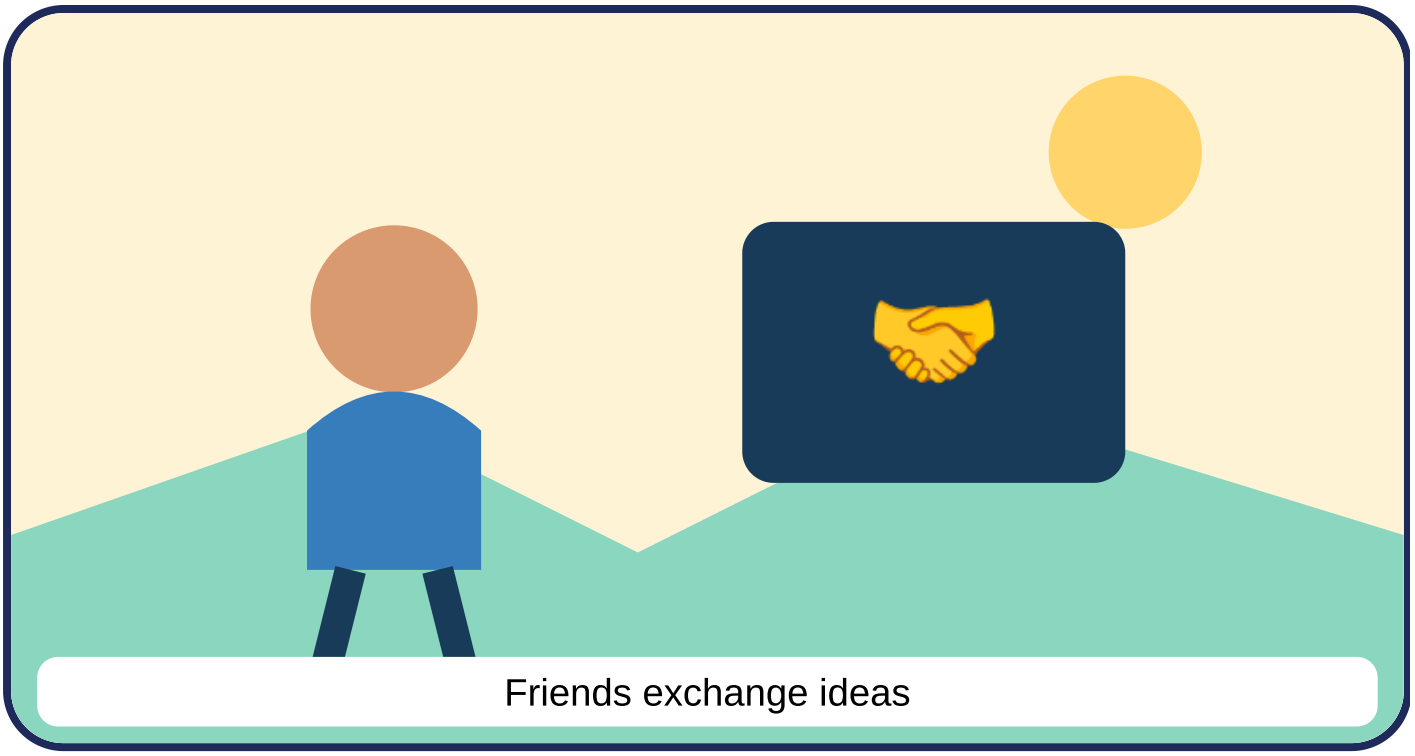

English Mood Academy

yellow = new words **red** = Unit 5 vocab

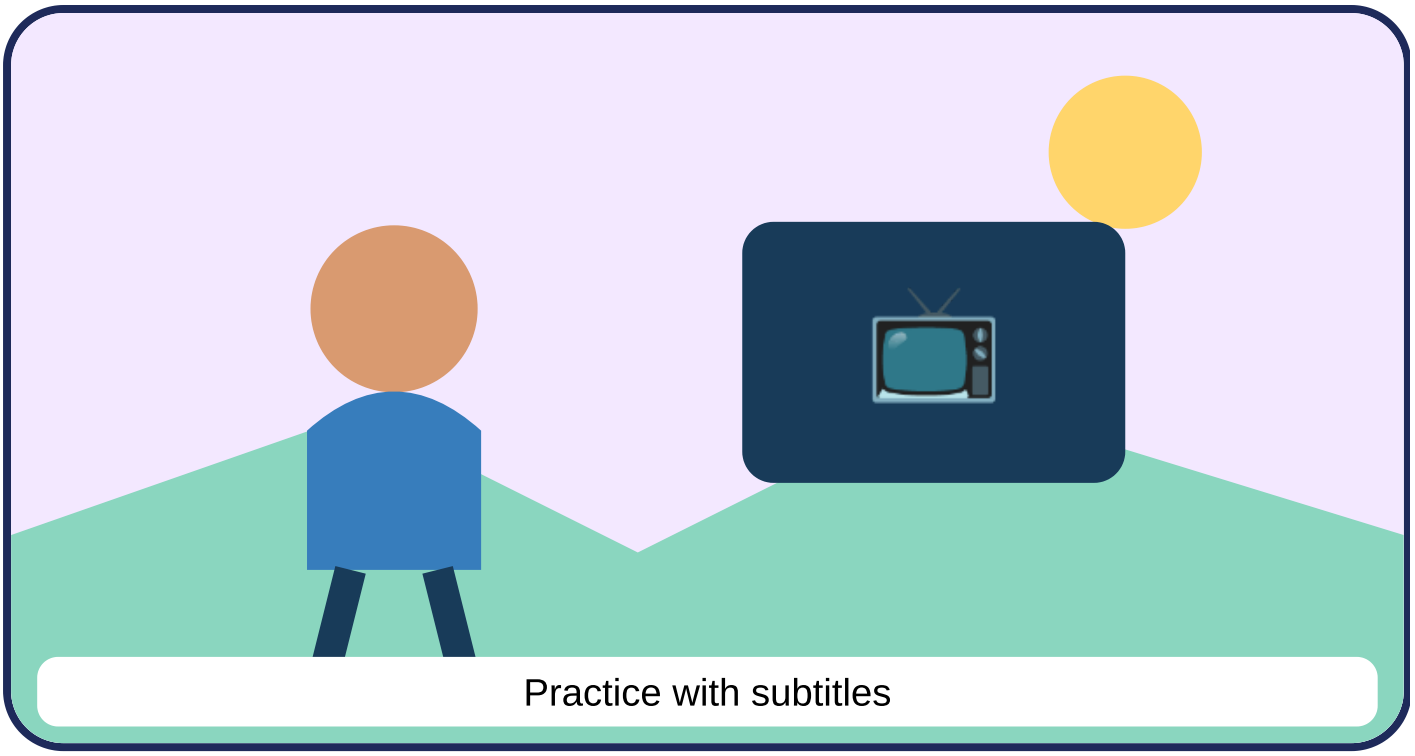

An exchange program begins

Nour was **shy** when she first spoke English in class. She **hesitated** before every sentence. Her teacher said, "Do not worry. **Fluency** comes with practice."

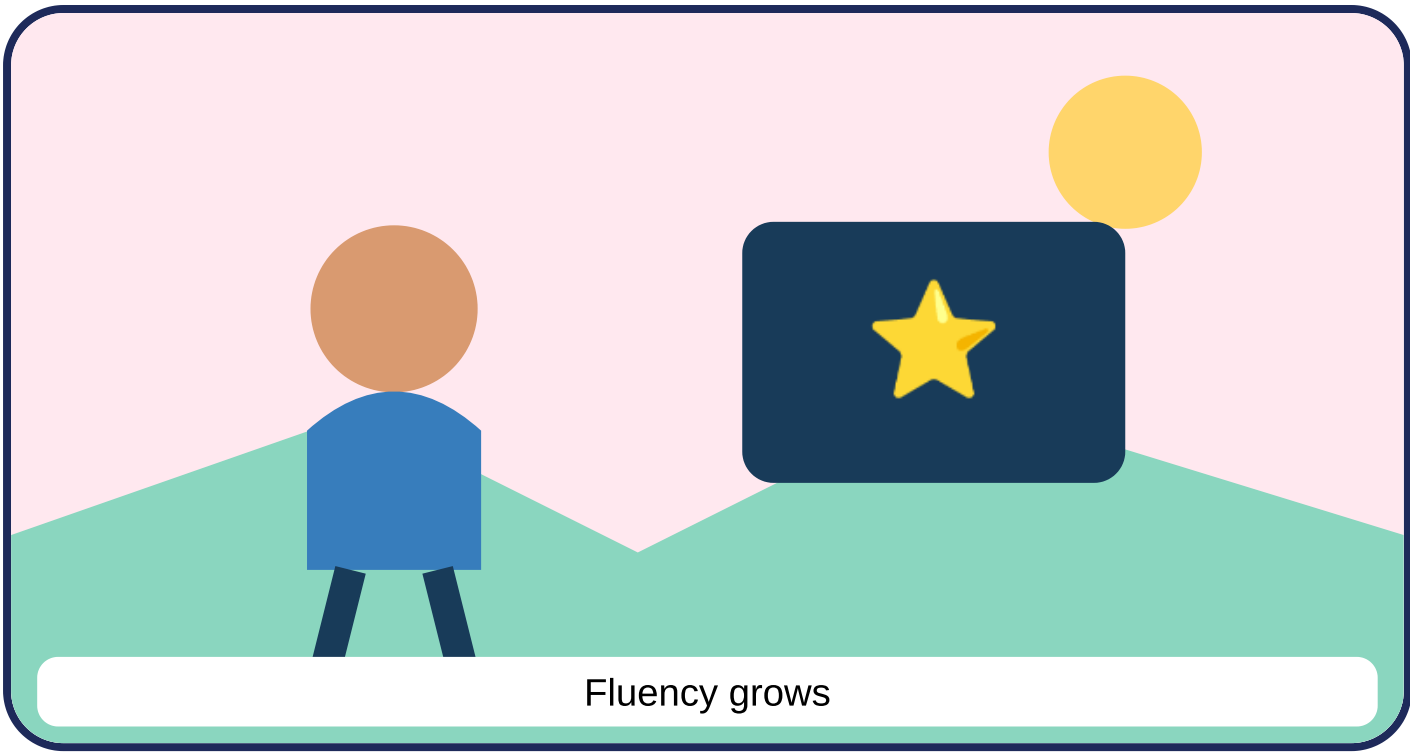

Friends exchange ideas

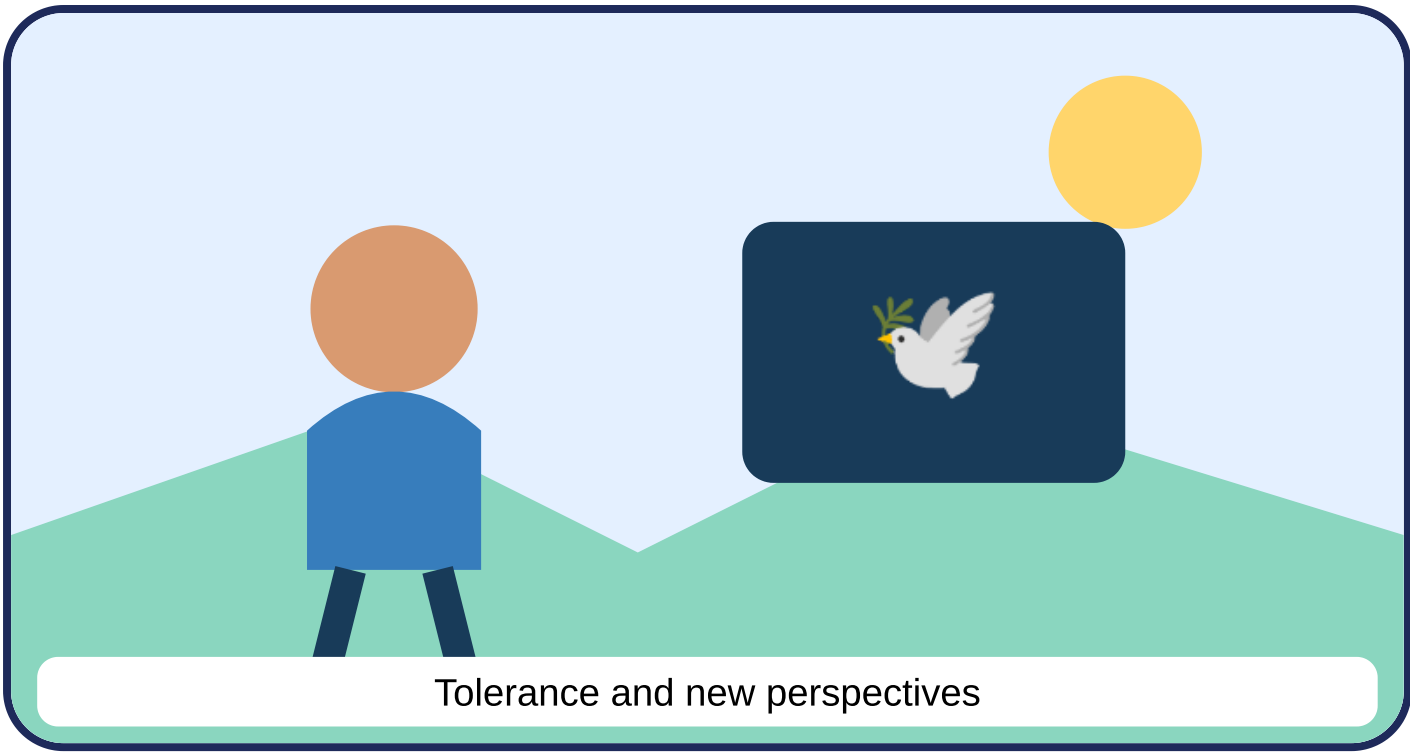

She joined an **exchange program** with students from Spain. They **collaborated** on a school project about **global** culture. Nour began to **gain** confidence every week.

At first she felt **shy**, but her **classmates** and **peers** helped her. They **exchanged** ideas and stories. Learning together was a useful **process**.

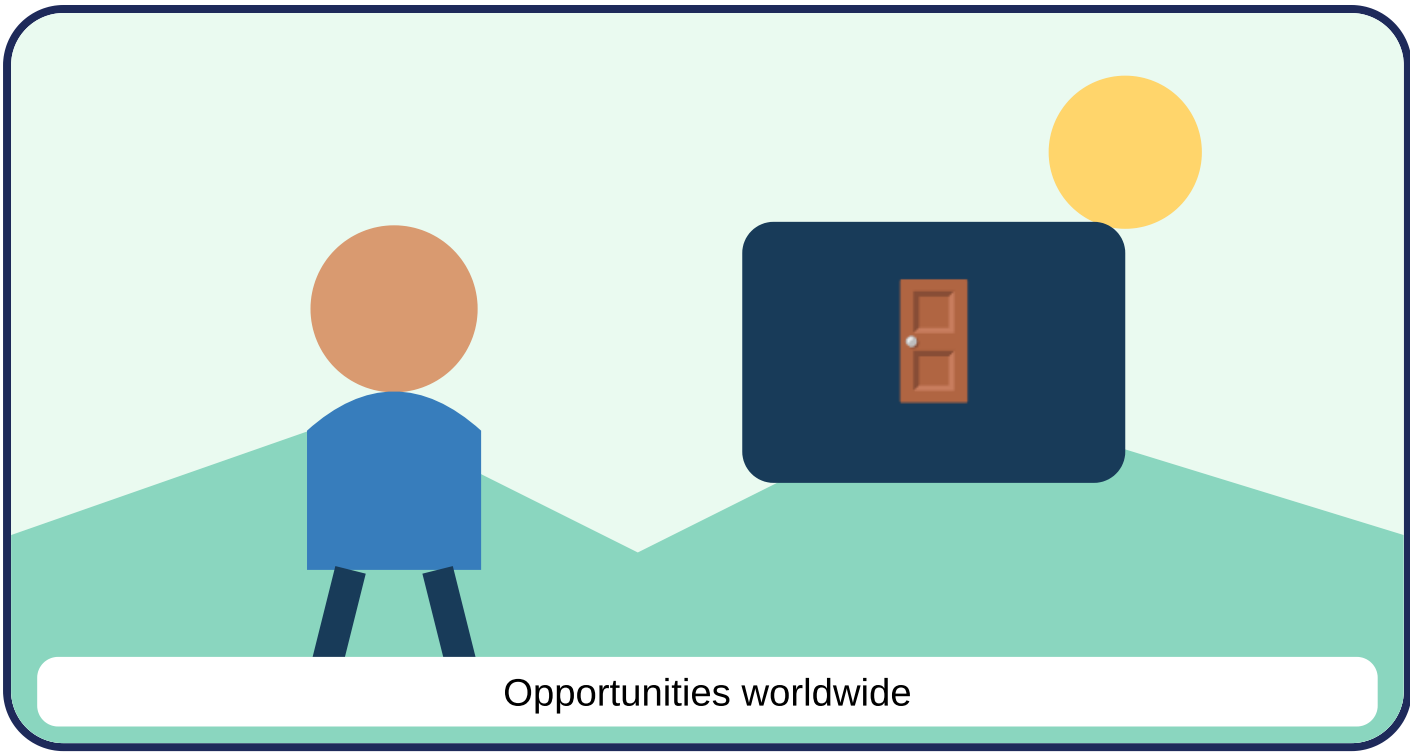

Nour wanted to become **multilingual**. She practised **consistently** every day. She used videos with Arabic **subtitles** and never stopped trying.

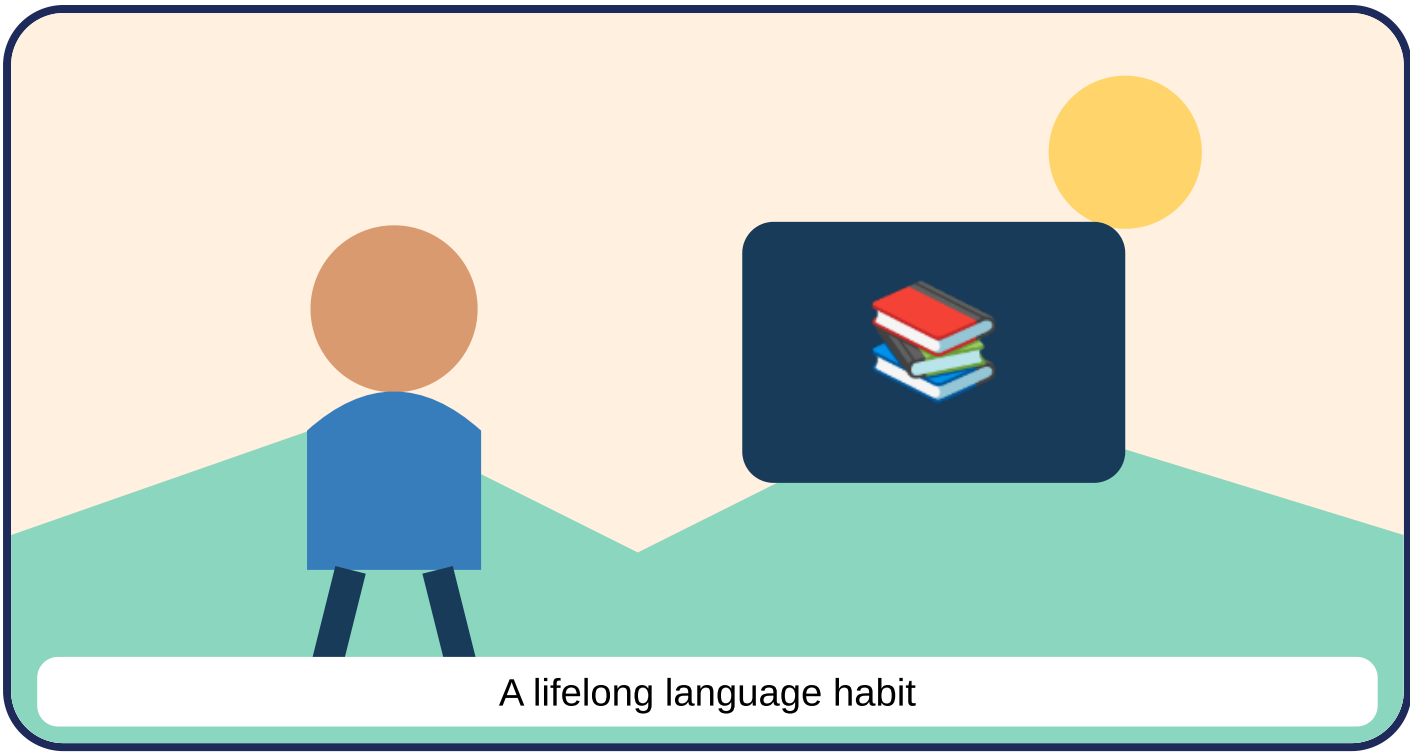

Tolerance and new perspectives

Her **proficiency** grew. She could speak more **fluently**. Teachers **motivated** her to keep going, and she stayed **motivated** even when lessons were **time-consuming**.

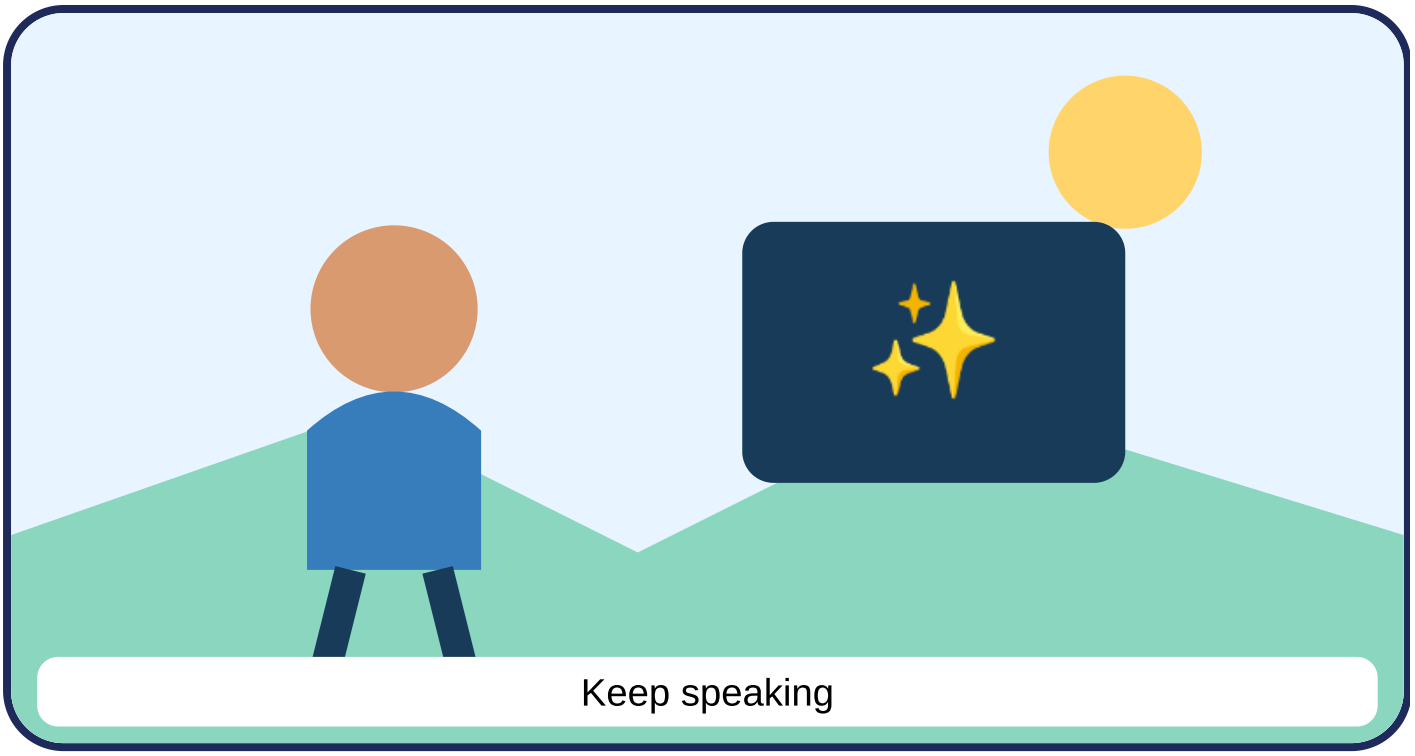

Opportunities worldwide

Travel and language learning **expanded** her **horizons**. She met people from a **multicultural** group. She learned **tolerance** and respect for different **perspectives**.

A lifelong language habit

English opened the door to new **opportunities**. **Moreover**, it gave her a broader **worldview**. Small steps can **matter** a lot in a student's life.

Nour decided to **dedicate** time every day to languages. She wanted to **contribute** to her school club and **promote** **real-life** practice. Language learning became a **lifelong** habit.

The End

Practise every day, work with others, and never hesitate to speak.

تمرّن كل يوم، وتعاون مع غيرك، ومتترددش تتكلم.
